48 CFR Ch. 1 (10-1-10 Edition)

Inc. (FPI), in the solicitation process and consider a timely offer from FPI.

[69 FR 16150, Mar. 26, 2004, as amended at 71 FR 223, Jan. 3, 2006]

19.505 Rejecting Small Business Administration recommendations.

(a) If the contracting officer rejects a recommendation of the SBA procurement center representative (or, if a procurement center representative is not assigned, see 19.402(a)) or breakout procurement center representative, written notice shall be furnished to the appropriate SBA representative within 5 working days of the contracting officer's receipt of the recommendation.

(b) The SBA procurement center representative (or, if a procurement center representative is not assigned, see 19.402(a)) may appeal the contracting officer's rejection to the head of the contracting activity (or designee) within 2 working days after receiving the notice. The head of the contracting activity (or designee) shall render a decision in writing, and provide it to the SBA representative within 7 working days. Pending issuance of a decision to the SBA representative, the contracting officer shall suspend action on the acquisition.

(c) If the head of the contracting activity agrees that the contracting officer's rejection was appropriate—

(1) Within 2 working days, the SBA procurement center representative (or, if a procurement center representative is not assigned, see 19.402(a)) may request the contracting officer to suspend action on the acquisition until the SBA Administrator appeals to the agency head (see paragraph (f) of this section); and

(2) The SBA must be allowed 15 working days after making such a written request, within which the Administrator of SBA—

(i) May appeal to the Secretary of the Department concerned; and

(ii) Must notify the contracting officer whether the further appeal has, in fact, been taken. If notification is not received by the contracting officer within the 15-day period, it is deemed that the SBA request to suspend the contract action has been withdrawn and that an appeal to the Secretary was not taken.

(d) When the contracting officer has been notified within the 15-day period that the SBA has appealed to the agency head, the head of the contracting activity (or designee) shall forward justification for its decision to the agency head. The contracting officer shall suspend contract action until notification is received that the SBA appeal has been settled.

(e) The agency head shall reply to the SBA within 30 working days after receiving the appeal. The decision of the agency head shall be final.

(f) A request to suspend action on an acquisition need not be honored if the contracting officer determines that proceeding to contract award and performance is in the public interest. The contracting officer shall include in the contract file a statement of the facts justifying the determination, and shall promptly notify the SBA representative of the determination and provide a copy of the justification.

[60 FR 48261, Sept. 18, 1995, as amended at 67 FR 13054, Mar. 20, 2002; 71 FR 36926, June 28, 2006]

19.506 Withdrawing or modifying small business set-asides.

(a) If, before award of a contract involving a small business set-aside, the contracting officer considers that award would be detrimental to the public interest (e.g., payment of more than a fair market price), the contracting officer may withdraw the small business set-aside determination whether it was unilateral or joint. The contracting officer shall initiate a withdrawal of an individual small business set-aside by giving written notice to the agency small business specialist and the SBA procurement center representative (or, if a procurement center representative is not assigned, see 19.402(a)) stating the reasons. In a similar manner, the contracting officer may modify a unilateral or joint class small business set-aside to withdraw one or more individual acquisitions.

(b) If the agency small business specialist does not agree to a withdrawal or modification, the case shall be promptly referred to the SBA representative (or, if a procurement center representative is not assigned, see 19.402(a)) for review.

19.507 Automatic dissolution of a small business set-aside.

(a) If a small business set-aside acquisition or portion of an acquisition is not awarded, the unilateral or joint determination to set the acquisition aside is automatically dissolved for the unawarded portion of the set-aside. The required supplies and/or services for which no award was made may be acquired by sealed bidding or negotiation, as appropriate.

(b) Before issuing a solicitation for the items called for in a small business set-aside that was dissolved, the contracting officer shall ensure that the delivery schedule is realistic in the light of all relevant factors, including the capabilities of small business concerns.

Subpart 19.6—Certificates of Competency and Determinations of Responsibility

19.601 General.

(a) A Certificate of Competency (COC) is the certificate issued by the Small Business Administration (SBA) stating that the holder is responsible (with respect to all elements of responsibility, including, but not limited to, capability, competency, capacity, credit, integrity, perseverance, tenacity, and limitations on subcontracting) for the purpose of receiving and performing a specific Government contract.

(b) The COC program empowers the Small Business Administration (SBA) to certify to Government contracting officers as to all elements of responsibility of any small business concern to receive and perform a specific Government contract. The COC program does not extend to questions concerning regulatory requirements imposed and enforced by other Federal agencies.

(c) The COC program is applicable to all Government acquisitions. A contracting officer shall, upon determining an apparent successful small business offeror to be nonresponsible, refer that small business to the SBA for a possible COC, even if the next acceptable offer is also from a small business.
